RULES AND REGULATIONS:

The purpose of The Dog House Doggie Daycare and Dog Wash (The Dog House) is to provide a safe, fun, and stimulating environment for all of our guests and staff. To ensure the safety and health of your pet, our other clients, their owners, and our staff, we require all of our guests to comply with the following Rules and Regulations.

HEALTH: All pets must be in good health. Owners must certify that their pet(s) are in good health and have not been ill in the past 30 days. On admission all pets must be free from any condition that have the potential to jeopardize other guests. Pets who have been ill with a communicable condition in the last 30 days will require a veterinarian certification of health to be admitted or readmitted. All pets must be spayed or neutered unless prior arrangements have been made. Please note that we generally cannot accommodate unfixed dogs over a year old.

VACCINATIONS: All pets must have up-to-date vaccinations. Owners must submit written proof from their veterinarian that their pet received Distemper, Hepatitis, Leptospirosis, Parainfluenza, Parvovirus, Rabies, and Bordetella vaccinations within the past year (or within the past 3 years for Rabies). The Dog House does not currently require the canine influenza vaccine (though it is encouraged), but influenza or other additional vaccinations may be added to these requirements for the protection of pets and humans. The Dog House requires proof of updated vaccinations upon expiration (typically annually and, for Rabies shots, every three years).

FLEA AND TICK PREVENTION: All pets must be on a flea and tick preventative. If any fleas or ticks are discovered on a pet during check-in or at any other time while the pet is receiving services from The Dog House, The Dog House may administer a flea bath and/or flea spot treatment at the owner's expense.

BEHAVIOR: All pets must be non-aggressive and not resource-protective (e.g., over food, toys, or people). If a dog acts aggressively or exhibits unacceptable behavior, he/she may be separated from the other dogs. The Dog House staff may use techniques such as verbal commands, squirt bottles, citronella spray, isolation, and, in extreme cases, restraints and/or muzzles to control a dog for the safety and protection of other pet guests and humans. If, in the sole discretion of The Dog House staff, a dog is determined to be incompatible with The Dog House's playgroup or facilities, The Dog House reserves the right to refuse to accept the dog for boarding, daycare, and/or other services.

LEASHES & COLLARS: All pets must enter and exit on a suitable leash. Dogs may be given one of The Dog House's quick-release collars to wear while receiving services at The Dog House in The Dog House staff's sole discretion. You consent to The Dog House staff removing your dog's collar in the play area and either replacing with one of The Dog House's quick-release collars or leaving it off in the play and kennel areas to prevent injury or damage.

APPLICATION: All pets must have a signed complete, up-to-date, and approved application on file.

FEES: Fees are due at time of pick-up, unless a deposit is requested in advance in The Dog House's sole discretion.

DAYS AND HOURS: The Dog House's hours are Monday through Friday from 6:30am to 7:30pm and Saturday and Sunday from 8:00am to 6:00pm, subject to change as posted on The Dog House's website. Your pet may not be dropped off before opening unless prior arrangements have been made. All pets must be picked up by closing unless prior arrangements have been made. Ten minutes after closing, if your dog hasn't been picked up and no arrangements have been made with staff, he/she/they will be boarded overnight and boarding fees will apply.

RESERVATIONS: Reservations are currently required for overnight boarding only or for unaltered dogs. Reservations for daycare and/or boarding are recommended for major holidays and summer weekends, which tend to be busy. Without reservations, The Dog House accepts guests on a first-come, first-served basis.

URGENT VETERINARIAN CARE: *Please refer to the Medical Policy and Release Form.*

PERSONAL PROPERTY: The Dog House is not responsible or liable for any lost, stolen, or damaged personal property belonging either to pets or their owners that is left at The Dog House. This includes flea collars, activity/location trackers, ear bows, clothing, bedding, etc.

AGREEMENT AND RELEASE

1. In consideration of being permitted to use the services and facilities of The Dog House Doggie Daycare and Wash ("The Dog House"), the receipt and sufficiency of such consideration being hereby acknowledged and agreed, **the undersigned pet owner, on behalf of themselves, their pet(s), and any other owner of their pet(s) (collectively, "Owner"), hereby releases, waives, and discharges The Dog House and its owners, staff, and volunteers (collectively, "The Dog House Parties") from all liability for any and all loss or damage, and any claim or damages resulting therefrom, on account of injury, loss, damage, infestation, or disease to Owner's pet(s), including injury resulting in death, whether caused by the negligence of The Dog House Parties or otherwise while Owner's pet(s) are under the care of The Dog House.**

2. Owner agrees to indemnify The Dog House Parties for any loss, liability, damage, or cost (collectively, "Losses") they may incur due to Owner's presence or the presence of Owner's pet(s) in or upon The Dog House premises and while their pet(s) is/are under the care of The Dog House. Owner further agrees to indemnify The Dog House Parties for any Losses they may incur from delivering their pet(s) to or from The Dog House premises and/or to or from my place of residence unless such Losses were the direct result of the gross negligence or willful misconduct of The Dog House Parties. This includes, but is not limited to, any injury, illness, or death to the pet(s) and damage and theft to Owner's residence.

3. Owner therefore assumes full responsibility for any harm caused by their pet(s) while in or upon The Dog House premises and while their pet(s) is/are under the care of The Dog House and further agrees to make The Dog House Parties whole for any Losses they may incur due to any harm caused by Owner's pet(s).

4. Owner expressly agrees that the release, waiver, and indemnity provisions herein are each intended to be as broad and inclusive as permitted by the laws of the State of Oregon, and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

5. Owner agrees that should a court determine that any provision herein waiving or releasing liability is deemed not enforceable, The Dog House Parties' liability shall be limited to the funds paid to The Dog House by Owner for the services out of which the applicable claim arose.

6. Owner further understands and agrees that in admitting their pet(s) to The Dog House, The Dog House Parties have relied on Owner's representations that Owner's pet(s) is/are in good health, is/are current on vaccinations, and has/have not harmed or shown aggression or threatening behavior toward any person or any other pet.

7. Owner further understands and agrees that any injury or illness that develops with Owner's pet(s) will be treated as determined by The Dog House in its sole discretion, and that Owner assumes full financial responsibility for any and all expenses involved, even if such expenses were later found to be unnecessary.

8. **Owner understands that The Dog House utilizes playgroups where multiple live animals interact. Owner understands and acknowledges that dogs play with their mouths and paws, which can result in cuts, scratches, and nicks on Owner's pet(s), and that such injuries occur despite reasonable care and supervision.** Owner further understands and agrees that, despite reasonable supervision, The Dog House Parties cannot prevent, and may not notice, these minor injuries when they occur, especially if a dog's behavior does not change, and despite inspection and wipe-down at check-out, The Dog House Parties may not notice cuts, scratches, or nicks prior to a pet's departure. Owner acknowledges that if The Dog House Parties notice any minor injury and, in their sole discretion, determines medical treatment is not required, Owner may not be notified.

Owner certifies that he/she/they has read the attached Rules and Regulations and agrees to abide by them. Owner further certifies that he/she/they has read and understands this Agreement and Release and agrees to accept all the terms, conditions, and statements herein.

MEDICAL POLICY AND RELEASE FORM

POLICY REGARDING MEDICAL CONCERNS

The Dog House Doggie Daycare & Wash ("The Dog House") goes to great lengths to ensure the health and safety of all our guests because the safety and wellbeing of your pet(s) are very important to us. However, in the natural course of all animals' lives medical issues may occur. In the event that a medical concern arises while a pet is at our facility or participating in a service that we provide, it is imperative that we are immediately able to get them evaluated for medical treatment at the closest appropriate facility. As a safeguard for your pet, and for your peace of mind, we have a relationship with our next-door neighbor, Wildwood Veterinary Clinic ("Wildwood") for evaluations and medical treatment.

Therefore, if The Dog House staff, in their sole discretion, have health concerns regarding your pet(s) while staying with us, your pet(s) will be taken to Wildwood or, if Wildwood is unavailable, another licensed veterinarian (any such service provider, a "Veterinarian") for a medical exam. We will attempt to contact you or, if we are not able to reach you, your emergency contact as soon as possible, but for the health and safety of your pet, The Dog House and its staff may seek medical attention without delay if, in their sole discretion, they believe your pet(s) may be harmed by such delay. In a life-or-death emergency, the Veterinarian may immediately proceed with reasonable treatments and diagnostics to attempt to stabilize your pet, and we will continue to attempt to contact you or your emergency contact. In all other circumstances, where an eminent risk of death is not identified, the staff at The Dog House and the Veterinarian will attempt to contact you or your emergency contact with such Veterinarian's recommendations based on their exam findings and no other diagnostics or treatments will be performed without you, or your agent(s), consent.

CONSENT TO TREATMENT AND RELEASE

I, on behalf of myself and any other owner of my pet(s), acknowledge and agree that I have read and understood the above policy. I understand that in the event of a medical emergency that The Dog House, at its sole discretion, deems to need the immediate attention of a Veterinarian, I authorize The Dog House to seek medical attention at Wildwood Veterinary Clinic or, if Wildwood is unavailable, the closest available veterinary facility. I acknowledge that medical treatment may require transportation of my pet to receive care, and I hereby authorize such transportation. I further agree that I am financially responsible for any medical treatment my pet(s) receives as a result of a medical emergency while attending, or receiving services provided by, The Dog House.

I agree that I am assuming all risk of illness, disease, harm, or otherwise to my pet by allowing my pet to participate in services at and with The Dog House. Furthermore, I agree that I am assuming all risk of the consequences associated with any decisions made by The Dog House, relating to the medical care and transportation of my pet in the event of a medical emergency. I agree to be solely financially responsible for any and all veterinarian care of my pet while in the care of The Dog House, or as a result from time spent at The Dog House. IN ADDITION, I AGREE THAT IF MY PET IS INJURED BY ANOTHER PET, I HEREBY RELEASE THE DOG HOUSE, ITS OWNERS, EMPLOYEES, AND AGENTS FROM ALL LIABILITY AND FINANCIAL RESPONSIBILITY FOR SUCH INJURY. I FURTHER UNDERSTAND THAT IF MY PET BITES A HUMAN OR PET, THAT THE DOG HOUSE MAY CONTACT THE APPROPRIATE AUTHORITIES.
